### ERT WEEKLY MAINTENANCE SCHEDULE

*From Friday, August 25 to Friday, September 1*

Below is a list of significant tunnel/lane closures for the [Elizabeth River Tunnels](#) (ERT). All work is dependent upon weather conditions and closure dates are subject to change.

**I-264 West:** The Downtown Tunnel westbound will be intermittently closed for 10-15 minutes between the hours of 10 a.m. and 12 p.m. on Sunday, August 27. All westbound traffic will be stopped at the tunnel entrance for 10-15 minutes during 3-4 intermittent maintenance closures within those two hours. As traffic is released after each 10-15 minute closure, motorists may observe that the pavement will be wet; this is a result of normal maintenance activities.

No closures scheduled.
