#### **Billy Samra named Chief Financial Officer of Elizabeth River Crossings**

**Portsmouth, Va.** – Elizabeth River Crossings, LLC (ERC) is pleased to welcome Billy Samra as the new Chief Financial Officer. Mr. Samra was formerly Finance Director of the Infrastructure Development unit at Skanska (Skanska ID), one of the world's leading project development and construction groups, active in Europe and North America.

“I’m looking forward to working closely with CEO, Doug Wilson, and the rest of the management team to continue building a strong analytical business foundation for ERC,” said Mr. Samra. “I have been impressed with the importance of the connectivity that ERC brings to Hampton Roads and I look forward to using my skills and experience to continue to improve the service ERC provides to communities in the area.”

Mr. Samra is Big Four Association of Chartered Accountants qualified with a proven history in major organizations, including Private Equity backed companies. Most recently he oversaw the financial reporting of Skanska ID’s public-private partnership (PPP) projects in the UK. Mr. Samra brings excellent operational and commercial skills and will focus on the accounting, financial planning, annual budgeting, procedures and forecasting aspects of ERC’s business.

“We are very pleased to add someone of Mr. Samra’s experience and qualifications to further strengthen our management team,” said CEO, Doug Wilson. “His talents will help us make our systems more robust so that we can continue to improve our service to the people of Hampton Roads and to the community.”

*Elizabeth River Crossings (ERC), officially Elizabeth River Crossings OpCo, LLC, is a limited liability company created by subsidiaries of Skanska AB and Macquarie Group. ERC’s sole purpose is to finance, deliver, operate and maintain the Elizabeth River Crossings facilities which include the Downtown and Midtown Tunnels and the MLK Freeway extension, as part of a 58-year public-private partnership (PPP or P3) with the Virginia Department of Transportation. ERC also provides incident response for the West Norfolk and Berkley Bridges, although operations of these bridges remain with VDOT.*
