DriveERT Customers will receive a free E-ZPass with \$35 in tolls when they pay their outstanding balance on July 24 and 27

Portsmouth, Va. – On Tuesday, July 24 and Friday, July 27 from 10 a.m. to 2 p.m., any Pay by Plate customer who pays their outstanding DriveERT account balance will receive an E-ZPass transponder loaded with \$35 in pre-paid tolls, while supplies last.

This is a two-day offer, valid only for Pay by Plate customers who pay their outstanding DriveERT account balance. There are two ways customers can take advantage of this offer – by visiting the DriveERT Customer Care Center (700 Port Centre Parkway, Portsmouth, VA 23704), or by calling 1-855-378-7623. Online payments can be made but are not part of this two-day promotion.

While existing E-ZPass holders are not eligible to receive a free E-ZPass, those receiving a Pay by Plate statement as a result of having a negative E-ZPass account balance are eligible to receive an E-ZPass Reload Card with \$10 during this two-day promotion.

About DriveERT Pay by Plate

If you received a DriveERT Pay by Plate statement in the mail, your vehicle traveled through one or more of the electronic toll gantries located on the Portsmouth side of the US 58 Midtown Tunnel and I-264 Downtown Tunnel, which connect the cities of Portsmouth and Norfolk. Pay by Plate is an alternate way for E-ZPass motorists without an E-ZPass to pay for tolls at the Elizabeth River Tunnels. These motorists are identified through license plate recognition, which is captured on the toll gantries above the roadway. Pay by Plate statements are mailed every 30 days, or when your Pay by Plate account reaches \$20 owed, whichever comes first.

To learn more about your DriveERT Pay by Plate account, contact Customer Care toll-free at 1-855-378-7623. To learn more about this promotion on July 24 and 27, please email info@driveert.com.

About Elizabeth River Crossings

Elizabeth River Crossings (ERC), officially Elizabeth River Crossings OpCo, LLC, is a limited liability company created by subsidiaries of Skanska AB and Macquarie Group. ERC's sole purpose is to finance, operate and maintain the Elizabeth River Crossings facilities which include the Downtown and Midtown Tunnels and the MLK Expressway, as part of a 58-year public-private partnership (PPP or P3) with the Virginia Department of Transportation. ERC also provides incident response for the West Norfolk and Berkley Bridges, although operations of these bridges remain with VDOT.
